

## CARGO FACTS & FLEET

As of December 31, 2025

AerCap Cargo is the leader in the air freighter market, with more than 30 years' experience and a fleet of approximately 120 owned, managed and on order aircraft. We support freight forwarders, express delivery and cargo operators, delivering modern narrowbody and widebody freighter aircraft.

### Our Cargo Fleet Solutions

AerCap Cargo has an unparalleled track record of passenger-to-freighter conversion programs, including both widebody and narrowbody aircraft. We provide the most modern freighter equipment and leasing programs, including the B737-800 cargo conversion program in partnership with Boeing, the Airbus A321-200P2F program with Elbe Flugzeugwerke GmbH (EFW), and an industry-first B777-300ER cargo conversion program with Israel Aerospace Industries (IAI), making us the partner of choice for cargo leasing and conversions.
