AERCAP CARGO

CARGO FACTS & FLEET

As of September 30, 2026

AerCap Cargo is the leader in the air freighter market, with more than 30 years' experience and a fleet of approximately 110 owned, managed and on order aircraft. We support freight forwarders, express delivery and cargo operators, delivering modern narrowbody and widebody freighter aircraft.

Our Cargo Fleet Solutions

AerCap Cargo has an unparalleled track record of passenger-to-freighter conversion programs, including both widebody and narrowbody aircraft. We provide the most modern freighter equipment and leasing programs, including the B737-800BCF cargo conversion program in partnership with Boeing, the Airbus A321-200P2F program with Elbe Flugzeugwerke GmbH (EFW), and an industry-first B777-300ERSF program with Israel Aerospace Industries (IAI), making us the partner of choice for cargo leasing and conversions.
