

<b>JOB TITLE</b>	Engine Technical Support Manager
<b>DEPARTMENT</b>	AerCap Engines
<b>LOCATION</b>	Shannon Ireland
<b>REPORTS TO</b>	Head of Powerplant Operations

Everything we achieve is made possible by our talented people. Fuelled by our commitment to excellence and collaborative spirit, we're shaping the future of aviation for generations to come. But life at AerCap goes beyond the pursuit of excellence. We are proud of our culture which is built on the values of Ambition, Excellence and Respect, and they act as a flight path for our people.

Our high-performance work environment is the perfect backdrop to develop into the professional you want to become. Whether you are at the start of your career, or a more seasoned professional, you will have the opportunity to learn from the best people in the industry and be part of the largest aviation leasing company in the world!

Sound exciting? We think so!

## JOB SUMMARY

A diversified role working within the Engine Leasing and Powerplant Department, whereby the successful candidate will work across the AerCap Engines team to assist with projects, valuations, MR billings and operational metrics along with other ad hoc duties as required.

## ESSENTIAL FUNCTIONS OF THE JOB

- Portfolio Management - establish forecasts/substitution analysis to support all fleet planning and risk assessment exercises, supporting portfolio decisions and future portfolio planning.
- Asset transition - provide specialist expertise in support of the delivery and redelivery of leased assets.
- Support technical and commercial engine evaluations for purchase and lease transactions.
- MR monthly utilisation report review and invoicing.
- Annual Maintenance Reserve & Letter of Credit reconciliations.
- Provide support to technical leaders in all engine-related aspects of aircraft and engine leasing.
- Work directly with AerCap functions to provide expertise, project input, continuous improvement and data analysis as required.
- Ensure relevant processes, a regular operating rhythm, and data reporting quality/accuracy within the Powerplant team.
- Support Annual MRF rates review.
- Continuous review of Internal Claims and OEM data.
- Key metrics reporting.
- Other Ad-hoc Duties.

## JOB REQUIREMENTS, QUALIFICATIONS & COMPETENCIES

### Educational/Experience

- Professional engineering degree or equivalent technical qualification.
- 2 years' technical aircraft / engine experience within a leasing environment.

### Technical/Functional Experience

- Technical experience in commercial engines.
- A good balance between technical competence and commercial understanding.
- Leadership/people management skills.
- Demonstrated analytical and problem-solving skills.
- Excellent organizational skills with the ability to work to deadlines and multitask.
- Strong computer skills - MS Office, Word, Excel, Power Point, Outlook.
- Good communication skills - written and verbal.

## OUR VALUES

### AMBITION

Ambition to us means winning together. We believe it takes bold people to help us shape the future of aviation. At AerCap, ambition means defying our own limits, breaking new ground, and setting higher standards for our business.

### EXCELLENCE

We believe in striving for nothing short of greatness. For us, excellence means redefining what is possible, and to constantly work towards outstanding solutions for our customers with unwavering commitment and collaboration.

### RESPECT

We believe in fostering an environment where everyone is welcomed, supported and valued. Respect means treating our people with dignity and honouring their individuality. We strive to create an environment where our people feel included and empowered to do their best work and reach their full potential.

### LIFE AT AERCAP/WHAT WE OFFER

- We offer attractive employment packages with a competitive salary and excellent benefits, including generous annual leave policies, health insurance for our employees and immediate dependents, pension/retirement savings plans and an all-employee share scheme.
- You will have the opportunity to learn from the best people in the industry and grow your career with the largest aviation leasing company in the world.
- Our Corporate Social Responsibility (CSR) programs provide opportunities for our employees to inspire positive change in our global communities and to make a positive difference in the communities in which they live through volunteering, fund-raising and other charitable initiatives.

**Make AerCap your destination of choice and join us to shape the future of aviation!**
