

JOB TITLE	Director, Fleet Management
DEPARTMENT	Fleet Management - Milestone Aviation Group
LOCATION	Dublin, Ireland

JOB SUMMARY

The Director of Fleet Management will play a critical role within the Fleet Management team, reporting into the VP Fleet Management. The primary objectives of the role are to support secondary missions, develop OEM/MRO relationships and drive forward fleet programs.

ABOUT AERCAP

AerCap is the global leader in aviation leasing with one of the most attractive order books in the industry. AerCap serves approximately 300 customers around the world with comprehensive fleet solutions. AerCap is listed on the New York Stock Exchange (AER) and is based in Dublin with offices in Shannon, Miami, Singapore, Memphis, Amsterdam, Shanghai, Dubai, Seattle, Toulouse and other locations around the world.

ABOUT MILESTONE

Milestone Aviation Group, an AerCap company, is the world's leading helicopter leasing and financing company. Milestone has over 50 customers in more than 40 countries, serving a variety of industries, including offshore oil and gas, search and rescue, emergency medical services, police surveillance, mining, fire-fighting, and other utility missions.

ESSENTIAL FUNCTIONS

- Manage certain OEM aftermarket relationships, incorporate support/power-by-the-hour programs and co-ordinate project requirements from OEMs
- Manage fleet obsolescence risk and identify critical investments and upgrades
- S-92/Secondary Mission subject matter expert on conversions, STC kits, valuations and upgrades
- Identify & engage with design organizations to develop and certify solutions to augment fleet attractiveness in secondary missions
- Maintain Aircraft comparative performance database across missions and conditions
- Project support on deliveries & redeliveries as required
