AerCap Delivers 787 Dreamliner to Hainan Airlines

Signifies delivery of AerCap's 55th 787

DUBLIN--(BUSINESS WIRE)-- AerCap Holdings N.V. ("AerCap") (NYSE: AER) has announced it has delivered a Boeing 787-9 to Chinese carrier, Hainan Airlines. The delivery signifies AerCap's first 787-9 to deliver to the airline and its 55th delivery of the aircraft type. Hainan Airlines now operates twenty 787s, of which ten are 787-9 aircraft.

With over 80 aircraft owned and on order, AerCap is the world's largest 787 lessor.

AerCap President and Chief Commercial Officer Philip Scruggs said, "We are very pleased to deliver our first 787 to Hainan Airlines. This is our 55th Dreamliner. The 787 is a perfect choice for Hainan Airlines, offering unparalleled levels of passenger comfort to support the airline's high quality service standards and innovation. In addition, the Dreamliner provides exceptional value to airlines due to its advanced technology and fuel efficiency. We wish Hainan Airlines continued success."

About AerCap

Forward-Looking Statements

This press release contains certain statements, estimates and forecasts with respect to future performance and events. These statements, estimates and forecasts are "forward-looking statements." In some cases, forward-looking statements can be identified by the use of forward-looking terminology such as "may," "might," "should," "expect," "plan," "intend," "estimate," "anticipate," "believe," "predict," "potential" or "continue" or the negatives thereof or variations thereon or similar terminology. All statements other than statements of historical fact included in this press release are forward-looking statements and are based on various underlying assumptions and expectations and are subject to known and unknown risks, uncertainties and assumptions, and may include projections of our future financial performance based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations and projections about future events. There are important factors that could cause our actual results, level of activity performance or achievements to differ materially from the results, level of activity,

performance or achievements expressed or implied in the forward-looking statements. As a result, we cannot assure you that the forward-looking statements included in this press release will prove to be accurate or correct. In light of these risks, uncertainties and assumptions, the future performance or events described in the forward-looking statements in this press release might not occur. Accordingly, you should not rely upon forward-looking statements as a prediction of actual results and we do not assume any responsibility for the accuracy or completeness of any of these forward-looking statements. Except as required by applicable law, we do not undertake any obligation to, and will not, update any forward-looking statements, whether as a result of new information, future events or otherwise.
