AerCap Signs Lease Agreements with Norse Atlantic Airways for 9 Boeing 787 Aircraft

DUBLIN – Monday, March 29, 2021 - AerCap Holdings N.V. ("AerCap") (NYSE: AER) today announced it has signed lease agreements with Norse Atlantic Airways for the lease of six used Boeing 787-9s and three used Boeing 787-8 aircraft. All nine aircraft are powered by Rolls Royce Trent 1000 engines and are scheduled to begin delivery during 2021.

Norse Atlantic Airways, based in Norway, plan to launch long-haul low-cost services, connecting major cities in Europe and the USA.

Peter Anderson, Chief Commercial Officer of AerCap, said, "AerCap is excited to announce the signing of lease agreements for nine Boeing 787 aircraft with Norse Atlantic Airways. With its superior operating characteristics, the 787 is the perfect aircraft for Norse Atlantic Airways to launch a modern long-haul low-cost airline, and we are delighted to be supplying them with their first aircraft. We wish Norse Atlantic Airways every success and look forward to working with them as they roll out their plan in the years to come."

"We are thrilled to be partnering with a market leader in AerCap to lease our initial fleet of Dreamliners. Norse Atlantic Airways looks forward to providing our passengers with comfortable, affordable, intercontinental travel aboard these state-of-the-art aircraft." said Bjørn Tore Larsen, Chief Executive Officer of Norse Atlantic.

About AerCap

Forward-Looking Statements

This press release contains certain statements, estimates and forecasts with respect to future performance and events. These statements, estimates and forecasts are "forward-looking statements". In some cases, forward-looking statements can be identified by the use of forward-looking terminology such as "may," "might," "should," "expect," "plan," "intend," "estimate," "anticipate," "believe," "predict," "potential" or "continue" or the negatives thereof or variations thereon or similar terminology. All statements other than statements of historical fact included in this press release are forward-looking statements and are based on various underlying assumptions and expectations and are subject to known and unknown risks, uncertainties and assumptions, and may include projections of our future financial performance based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations and projections about future events. There are important factors, including the impacts of, and associated responses to, the Covid-19 pandemic, that could cause our actual results, level of activity, performance or achievements to differ materially from the results, level of activity, performance or achievements expressed or implied in the forward-looking statements. As a result, we cannot assure you that the forward-looking statements included in this press release will prove to be accurate or correct. In light of these risks, uncertainties and assumptions, the future performance or events described in the forward-looking statements in this press release might not occur. Accordingly, you should not rely upon forward-looking statements as a prediction of actual results and we do not assume any responsibility for the accuracy or completeness of any of these forward-looking statements. Except as required by applicable law, we do not undertake any obligation to, and will not, update any forward-looking statements, whether as a result of new information, future events or otherwise.
