

Job title: Financial Reporting Senior Manager
Department: Finance
Location: Dublin
Reports to: Vice President Financial Reporting

JOB SUMMARY

AerCap is seeking a motivated individual to join its Group Financial Reporting & Analysis team. In this position, you will be responsible for the preparation of financial reports (US GAAP financial statements as filed with the US Securities and Exchange Commission) as well as supporting financial information and analysis. At AerCap you will be challenged to develop yourself, to extend your knowledge and skills and to proactively participate in projects and to improve company processes. The ideal candidate is a qualified accountant (ACA, ACCA, CPA or equivalent) with relevant years of working experience in financial reporting and analysis.

Role responsibilities will include:

- Preparation of US GAAP/SEC compliant reporting at quarter and year ends
- Preparation of financial information and analysis, including summaries of quarterly performance supporting external and internal reports and presentations
- Develop and maintain the integrity of the financial reporting process and controls
- Drive development and enhancement of periodic accounting analysis
- Assist with the development and implementation of accounting policies and assist with transaction accounting analysis, and other special projects
- Liaise with auditors to ensure efficient and timely quarterly review and year-end audit procedures
- Other ad-hoc projects and duties as required

JOB REQUIREMENTS, QUALIFICATIONS, & COMPETENCIES

Educational/Experience

- Qualified accountant (ACA, ACCA, CPA or equivalent) with 6+ years PQE
- Relevant experience in an international environment including a big four audit firm
- Relevant experience with Financial Reporting in an international environment (US GAAP is a plus)

Additional Competencies

- Strong verbal and written communication skills
- Displays strong attention to detail
- Ability to organize and schedule work effectively to meet deadlines
- High proficiency with Microsoft Excel is required
- Analytical and challenging mind-set that can drive change and improvements in everyday finance processes
- Ability to work independently and collaborate as part of a team
- Ability to communicate effectively at all levels
- Flexible; willing to apply extra commitment during busy financial reporting periods
