AerCap Announces Order for Five Additional 787 Dreamliners

FARNBOROUGH, United Kingdom – Tuesday, July 19, 2022 – AerCap Holdings N.V. ("AerCap" or the "Company") (NYSE: AER) today announced an order for five additional Boeing 787-9 Dreamliners. The announcement was made at the Farnborough International Airshow.

This transaction brings AerCap's orders for the 787 aircraft to 125, owned and on order.

Peter Anderson, Chief Commercial Officer of AerCap, said, "AerCap is the world's largest 787 customer and we are very pleased to strengthen that position with this order for five additional aircraft. This transaction is in line with our portfolio strategy of investing in the most in-demand new technology assets and will help us continue to support our airline customers meet their sustainability commitments."

"AerCap oversees a world-class leasing portfolio, epitomized by the most utilized widebody in the industry, the 787 Dreamliner," said Ihssane Mounir, Boeing Senior Vice President of Commercial Sales and Marketing. "With its unparalleled fuel efficiency and passenger appeal, the 787 Dreamliner family is playing a major role in sustaining, reopening and pioneering new routes in the long-haul travel market."

Forward-Looking Statements

This press release contains certain statements, estimates and forecasts with respect to future performance and events. These statements, estimates and forecasts are "forward-looking statements". In some cases, forward-looking statements can be identified by the use of forward-looking terminology such as "may," "might," "should," "expect," "plan," "intend," "will," "aim," "estimate," "anticipate," "believe," "predict," "potential" or "continue" or the negatives thereof or variations thereon or similar terminology. All statements other than statements of historical fact included in this press release are forward-looking statements and are based on various underlying assumptions and expectations and are subject to known and unknown risks, uncertainties and assumptions, and may include projections of our future financial performance based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations and projections about future events. There are important factors, including the impacts of, and associated responses to: the Covid-19 pandemic, our ability to successfully integrate GECAS' operations and employees and realize anticipated synergies and cost savings; and the potential impact of the consummation of the GECAS transaction on relationships, including with employees, suppliers, customers and competitors, that could cause our actual results, level of activity, performance or achievements to differ materially from the results, level of activity, performance or achievements expressed or implied in the forward-looking statements. As a result, we cannot assure you that the forward-looking statements included in this press release will prove to be accurate or correct. In light of these risks, uncertainties and assumptions, the future performance or events described in the forward-looking statements in this press release might not occur. Accordingly, you should not rely upon forward-looking statements as a prediction of actual results and we do not assume any responsibility for the accuracy or completeness of any of these forward-looking statements. Except as required by applicable law, we do not undertake any obligation to, and will not, update any forward-looking statements, whether as a result of new information, future events or otherwise.
